Crashes Into Ocean Near Puerto Rico

San Juan Puerto Rico, June 7 (AP)—A twin-engine transport plane bound for the United States with 75 Puerto Rican passengers and six crew members dived into coastal waters in a rainstorm early today and 54 persons apparently perished.

An unofficial list of survivors tonight gave only 27 names, although the U. S. Coast Guard had indicated earlier 28 had been rescued.

The transport was a C-46 of Strato Freight, Inc., a two-plane charter service with headquarters at Bradley Field, near Windsor Locks, Conn. Engine trouble struck it soon after the takeoff on a flight to Miami, Fla., and Newark, N.J.

One of the six crew members, Capt. A. Cockrell of Pittsfield, Mass., was among those missing and presumed dead. The others were passengers, men, women and children. Twenty-one bodies had been recovered up to 5:30 p.m. (4:30 p.m. EST), leaving 33 still unaccounted for.

Many are believed to have been trapped inside the plane which sank in four minutes after the crash in 40 feet of water.

Search for them continued but efforts to raise the plane were postponed at the request of a Civil Aeronautics Board inspector, Jerry Andrews, who flew in from Miami this afternoon.

Coast Guard officials said an attempt probably would be made tomorrow.

There were 19 children aboard, including three less than a year old. Among the first bodies recovered was that of a young girl who, in death, still clutched a small doll.

Gave Stewardess Life Jacket
The plane's stewardess, Miss Judith Hale of Binghamton, N.Y., told rescue workers Cockrell had given her his lifejacket in the sea. She was among the 27 known survivors.

Capt. D. H. Dexter, in charge of the U. S. Coast Guard base here, said he did not believe any more would be found alive. Twenty-five of the 27 saved themselves by swimming to shore.

U. S. Coast Guard and Navy vessels and U. S. Army planes took part in the rescue work. The driving rain hampered them. B-17s dropped flares to pierce the murk.

The plane, crippled and trying to return to the San Juan Airport, made a crash landing in the Atlantic 400 yards west of Point Salinas, about four miles from the airport. It sank within six minutes in 40 feet of water.

A Navy tug marked the spot and salvage work was ordered started immediately. A series of investigations was launched.

Salvador Caro, head of the Puerto Rican transportation authority, said the plane was not overloaded. He reported it was carrying 44,500 pounds, or 500 pounds under its legal weight limit. He said a preliminary inquiry showed nothing was wrong with its condition at the moment of the takeoff.

Newsman Covering Normandy Landing Are Given Medals

Paris, June 7 (AP)—Forty-six American reporters and photographers who covered the Normandy invasion were decorated today with the medal of Liberation France. They are on a tour of Europe, and are guests today of the president of France, Vincent Auriol.

Those decorated included: W. A. S. Douglas, Chicago Herald-American; Joseph Driscoll, St. Louis Post-Dispatch; William H. Stoneman, Chicago Daily News; John H. Thompson, Chicago Tribune.

Referendum To Be Held On Question Of Wheat Quota

Washington, June 7 (AP)—The agriculture department is preparing to hold a nationwide farmer referendum July 23 on the question of imposing marketing quotas on the 1950 wheat crop.

Quotas would be designed to prevent over-production of wheat at a time when surpluses are accumulating and big postwar foreign markets are falling off.

British Labor Party Meeting Downs Revolt

Blackpool, England, June 7 (AP)—The Labor party conference beat down a revolt against the government's "hard labor" financial policy today after warnings that Britain is in for an economic blizzard.

The rebellion was squelched when the big unions led by Arthur Deakin, head of the Transport and General Workers union, came to the support of Sir Stafford Cripps, chancellor of the exchequer and economic boss.

After Deakin spoke, only a show of hands was necessary to defeat decisively a resolution calling for an "emergency budget" this fall.

Sir Stafford made a fighting defense of his 1949-50 budget, now two months old. In the budget, he refused to cut retail purchase taxes, which range to 125 per cent on some items, and held out for keeping wages at their present level.

Many union leaders have been demanding an emergency budget to cut the purchase tax and lower prices and abandon the hold-the-line policy on wages.

"Our position remains a grave one," Cripps said. "We have got along well with our recovery, but we have reached a very tough spot in the journey, and the economic barometer is certainly not rising."

Lord Strabolgi was more outspoken. A Labor member of the House of Lords, he urged the party to call a general election this fall, "before the full height of the economic blizzard strikes us."

General elections are due next May or June, near the end of the Labor party's five-year tenure in office, but may be called sooner if the Labor government wishes.

Cripps' comment on the falling business barometer was based on figures which showed that the rate of British exports to the United States was 14 per cent lower the first four months of this year than in the last quarter of 1948.

"Somehow or other—if we are even to maintain our present standards—we must balance our dollar trade within the next three years, because we cannot manage without the dollar imports," he declared.

House Rules Group Refuses To Clear Truman Housing Bill

Washington, June 7 (AP)—The House rules committee, which killed housing legislation last year, refused today to clear for immediate House action President Truman's big new housing bill.

Thereupon, Democratic leaders called off a mass meeting of House Democrats that had been scheduled in an effort to calm down an uprising in the ranks against the bill.

But speaker Rayburn emphasized that the bill is house to come to a vote. Under new house "anti-bottleneck" procedures the measure will come up in the House on June 27, regardless of rules committee objections. The bill passed the Senate April 21 by a 57 to 13 vote.

It calls for a vast program of slum clearance, low-rent public housing and farm housing aids.

Asked whether Democrats can muster the votes to get a Housing bill through the House, Rayburn said:

"Yes. I think we'll pass a Housing bill when the time comes to pass it."

The Democratic caucus, meeting after the rules committee developments, lasted only a few minutes. Rayburn explained that since the committee had not cleared the measure for quick action, it was decided to postpone the caucus.

Says AEC Has Product More Lethal Than 'Deadly Poison'

Senator Libonati Of Chicago Asks Return Of Three Cent Sales Tax

Springfield, Ill., June 7 (AP)—A Democratic Illinois senator declared today that the state will have enough cash to meet all appropriations approved by the assembly.

"We don't want to pass appropriations which are based on income from bills which have not been passed and may never be passed," Thompson declared.

His remarks apparently referred to Stevenson's proposal to extend the two per cent sales tax to construction contractors, repair services and special order businesses. The plan is counted on for \$25,000,000 a year in Stevenson's billion and a quarter dollar budget.

Stiff opposition confronts the bills in both House and Senate. The House is expected to vote on them tomorrow.

Stevenson said last week his \$112,000,000 school aid program may have to be scaled down in the tax broadening bills are not enacted. The \$34,000,000 state aid for cities legislation also would face trouble in that event.

Senator Wallace Thompson of Galesburg, the GOP senate leader, touched off the debate.

He said there is a "serious question" that the state will have enough cash to meet all appropriations approved by the assembly.

Shugg States It's Not Linked To A-Bomb

Washington, June 7 (AP)—A top atomic official said today that a plutonium plant at Hanford, Wash., is handling a product more lethal than "deadly poison," but he discounted any link with a new atomic weapon.

Carleton Shugg, deputy general manager of the atomic energy commission, cited the product in testimony before a Senate appropriations subcommittee.

Referring to the highly secret New Hanford atomic plant, Shugg told senators:

"It handles a product that needs a better name than 'deadly poison.'"

Shugg tossed out the cryptic remark and then quickly dropped the subject, thereby prompting speculation that the "product" he mentioned might be connected with reports of a weird new "atomic fog" development or some other atomic weapon.

However, after leaving Capitol Hill, Shugg was quoted by an AEO official as saying he did not mean to hint at any new weapon.

He said he was merely discussing certain phases in the production of plutonium—one of two fissionable materials used in making atomic bombs. The other is uranium-235.

In other developments in the congressional investigation of the atomic program:

Military Doesn't Want AEC
1. Secretary of Defense Johnson informed Senator McMahon (D-Conn.) that "the military establishment" has not attempted, and will not attempt, to take atomic energy away from civilian control and turn it over to the military.

2. Senator Graham (D-N.C.) demanded a hearing before the Senate-House atomic energy committee—following testimony that he was cleared for access to secret atomic data after the atomic energy commission's security advisory board had turned thumbs down on him.

3. AEC Chairman David E. Lilienthal had a day off from a joint congressional investigation into charges that he is responsible for "incredible mismanagement" of the atomic energy program.

But Lilienthal appeared before another committee—a senate appropriations group—and heard complaints from Chairman O'Mahoney (D-Wyo.) and Senator Ferguson (R-Mich.) about providing vast sums for the AEC without knowing what it is to be spent for.

"We are asked to appropriate in the dark," O'Mahoney said.

The AEC is requesting \$1,167,000,000 to spend in the 12 months beginning July 1. The House knocked \$70,879,000 off that figure in an economy drive. Now Lilienthal is asking the senate to restore it.

**Western Officials
Order Airlift To
Carry Berlin Mail**

Berlin, June 7 (AP)—The three-power western Kommandatura today ordered the airlift to start carrying Berlin's mail.

Brig. Gen. Frank Howley, U. S. commandant, said the airlift was ordered to bring in eight tons of mail to west Berlin daily because of "Soviet tricks."

Mail for west Berlin has been re-routed through the Soviet sector since a rail strike. There it was censored. Quantities of letters disappeared and packages were damaged and stolen, Berlin postal officials charged. Soviet guards refused to let trucks haul the mail into west Berlin.

The strike, in which 14,000 non-communist railway workers are demanding recognition of their union (UGO) and payment in west marks from the Soviet-controlled railway administration, remained static.

OPEN RADIOTELEPHONE
New York, June 7 (AP)—A new direct radiotelephone circuit was opened today between the United States and Hong Kong, the American Telephone and Telegraph Co. announced.

A 3-minute call to Hong Kong from anywhere in the United States costs \$12, plus federal tax, the A. T. & T. said.

WEATHER
The Norbury Sanatorium, cooperative observer for the U. S. Weather Bureau, yesterday reported the temperatures for Tuesday as follows: High, 85; low, 59; and at 6 p.m., 77.

Forecast For Illinois—Generally fair today. High 82 to 86.

States Russia Got Devices For Atom Research From US

Washington, June 7 (AP)—An FBI report disclosed today that Russia received a shipment of atomic research devices from the United States in 1947 and that two other shipments were blocked in 1948 and 1949.

The report said the equipment sent to Russia included radiation detection apparatus, Geiger counters and other instruments used in atomic development.

It said the official Soviet purchasing agency, Amtorg, seemed to have "exact knowledge" of what type of equipment to ask for. In general, the report said, Amtorg was interested in the same type of equipment that was being purchased by the U. S. Atomic Energy Commission which makes A-bombs.

The FBI report was brought into the open at the espionage trial of Judith Coplon, 28, a former justice department analyst, who is accused of filing secret government data to aid a foreign power, Russia.

The disclosure followed a ruling by Federal Judge Albert L. Reeves, the Coplon trial judge, ordering the prosecution to submit the full texts of secret FBI reports as evidence in the espionage case.

"Nationalized medicine," he asserted, "will be followed by nationalized industry. Industrialists see the threat to free enterprise and progress."

"Labor leaders are beginning to realize that 'free medical care' is not what they thought it was and that with socialization of medicine comes later socialization of industry and ultimately government ownership of business and facilities, with loss by labor of the gains of one hundred years."

Irons added:

"Under the proposal for compulsory sickness insurance, the people of the United States are asked to discard a form of medical practice which, in spite of its recognized imperfections, has given them the best quality of medical care of any country, and to accept a scheme of governmentally regimented medicine which has resulted in deterioration of medical care wherever it has been established."

"Compulsory sickness insurance," declared Irons, "is socialized medicine notwithstanding the disclaimers of its advocates."

"The proposed plan for governmental medicine, advocates say, will not change anything except the method of payment for services."

"Why then should it require 163 pages, as in the proposed law, and a confused organization of hundreds of councils, boards, committees and similar agencies just to collect and distribute money?"

**CLAIMS HUSBY FRAUD;
ASKS ANNULMENT**

Chicago, June 7 (AP)—A bride asked for an annulment today on the grounds that her husband promised her a church wedding but refused to go through with it after a civil marriage.

Mrs. Shirley Blackburn, 21, said she married Jack Blackburn at Valparaiso, Ind., last Jan. 2, and left him the next day. Both are Chicagoans. He was going to school in Valparaiso at the time.

She charged fraud in her annulment suit, filed in circuit court.

Her lawyer, Margaret E. Flynn, told Judge Julius Miner that Blackburn represented himself as 23 before the marriage but really is 19.

Judge Miner took the case under advisement.

5¢ AHEAD ON FINE
Oil City, Pa., June 7 (AP)—First offenders profited five cents by paying their overtime parking tickets today. Mayor William A. Mork became a father for the third time yesterday so he responded with a 15-cent stogie as each motorist paid the standard ten-cent fine.

DIVORCES HUSBAND WHO SHELLACKED HER

Boston, June 7 (AP)—A wife won a divorce today after testifying that her husband shellacked her.

Mrs. Grace Hoar told a judge her husband came home drunk and found her shellacking the floor.

Mrs. Hoar said he picked up the can of the sticky stuff and poured it on her head.

**House Asks Probe
Of U.S. Purchases
Of B-36 Bombers**

Washington, June 7 (AP)—The House rules committee cleared today for floor action tomorrow a resolution for a full-dress investigation of the air force's pet bomber, the six-engine B-36.

Majority floor leader McCormack (D-Mass.) announced the resolution will be the first business before the House tomorrow.

Rep. Van Zandt (R-Pa.) started the inquiry by relating to the House reports he said had circulated in Washington that high defense officials have a financial interest in the stepped-up procurement of the big bomber. There has been disagreement, too, over whether the B-36 is as invulnerable to fighter attack as the air force claims.

Van Zandt, on the House floor last week, said Secretary of Defense Louis Johnson and Secretary of the Air W. Stuart Symington were tied in with the company that manufactures the airplane.

**Truman Nominates
Gordon Gray To Be
New Sec. Of Army**

Washington, June 7 (AP)—President Truman today nominated a one-time buck private to be secretary of the army.

He is Undersecretary Gordon Gray, North Carolina lawyer and publisher and acting secretary since the resignation of Kenneth C. Royall April 27.

Gray, born in Baltimore in 1909 is not a career military man, but he served three years in the army, enlisting as a private in 1942 and rising to a captain in infantry with the 12th Army group in Europe.

Mr. Truman sent his nomination to the Senate late in the day after the White House indicated that Secretary of Defense Johnson had failed in efforts to persuade Curtis E. Calder, New York utilities executive to take the job.

THE METHODIST CONFERENCE

Hundreds of Methodist ministers and laymen are gathering in Jacksonville this week to participate in the annual meeting of the Illinois Methodist Conference. We hope all see this piece we are writing, first, because it is intended as a welcome to them; second, because it is a farewell tribute to a man we know well, respect highly, and regret his impending departure. Those associated with the Methodist church, versed in the policy of moving district superintendents at the expiration of a six year period, will know that we refer to Dr. Sidney A. Guthrie.

Dr. Guthrie has occupied a prominent position in the religious and civic life of the Jacksonville community for the past six years. He is a busy man, always on the go, for the administration of the affairs of a large district with many churches requires much energy and attention to detail. Dr. Guthrie has given unstintingly of his energy to serve his churches and the community. Yet he has always found time to be friendly. He is intensely human, a man who has endeared himself to people of his own and other faiths. Dr. Guthrie is a big man physically and mentally—who inspires faith in himself and in the doctrine of Christianity he represents. We are sorry his time in the Jacksonville district is up. We wish Dr. and Mrs. Guthrie continued success in their field of Christian service. It will be the good fortune of some church, we know not where, to secure the services of a mighty fine preacher.

Serving host to the Illinois Methodist Conference is more of a pleasure than a task in Jacksonville. This community has been a center of Methodist activity since the pioneer days when Peter Cartwright, Peter Akers, and other stalwarts of the faith rode the circuits in Illinois. Jacksonville is a natural meeting place for the Illinois Conference. We welcome its presence once again—Bishop J. Ralph Magee, the able staff of speakers, and delegates, with a hope that their stay will establish new standards of inspiration and spiritual service.

Milk Sanitarian
Makes Survey in
Morgan County

The Morgan County Health department announced Tuesday that in effort to promote a better quality of milk in this area, Paul Hanger, milk sanitarian of the Illinois Department of Public Health, has made a partial survey of the local milk producing farms.

Mr. Hanger stated that every trend is pointing to Grade A milk exclusively in the state. He was pleased by the interest shown by the people in rural areas.

The milk sanitarian said the requirements are uniform and practical. In many cases the present milking parlor can be converted to meet the Grade A regulations with a small amount of material and labor. The milk house will be conveniently located and equipped with the necessary utensils for good housekeeping in handling milk. Mr. Hanger declared that much time and labor can be saved, and a better quality of milk will be realized.

"It is hoped that in the near future enough quality milk is being produced to ask the city for a Grade A milk ordinance," the county health department announcement said.

A committee consisting of Mrs. Leona Babb, Mrs. Frances Becker and Mrs. Aileen Barrows was appointed to rewrite the constitution and by-laws of the Woodson Household Science club at the meeting held with Mrs. Hildred Craig.

The business session was conducted by Mrs. Gladys Hembrough. Mrs. Kathleen Hembrough had charge of the program. A talk on "The Life of Jules Milay, the Famous Painter," was given by Mrs. Ruth Hoagland who also reviewed the story of the picture, "Song of the Lark."

Mrs. Avah White had charge of the social period, during which contests were enjoyed. The winners were Mrs. Kathleen Hembrough and Mrs. Myrtle Riggs. Refreshments were served by the hostess.

Rites For Former
Carrollton Woman
Held at St. Louis

Carrollton—Funeral services were held Monday at 2:30 a. m. in the New Cathedral in St. Louis for Miss Anna Casey, who died Saturday in St. Louis.

Miss Casey is a former Carrollton resident and is the daughter of the late Mr. and Mrs. Thomas Casey of this city.

Surviving are four sisters, Miss Minnie Casey and Mrs. George F. Nictor of St. Louis, Mrs. Agnes Tolian and Mrs. J. Clifton Hall of Denver, Colo., and three brothers, Thomas Casey and Charles P. Casey of Springfield and Joe Casey of Denver.

Burial was in the Calvary cemetery in St. Louis.

Miss Marie Hanlon and Mrs. Rosalie Cronin went to St. Louis to attend the funeral.

LEAVES HOSPITAL AFTER

TREATMENT FOR INJURIES
Miss Nell Doying has left Passavant hospital, where she was under treatment seven weeks for injuries, and is recuperating at the home of Mr. and Mrs. Arthur Sammons, 135 Westminster street.

Miss Doying suffered fractures of a hip and arm in an accidental fall nearly two months ago.

Carrollton Day
Home Bureau to
Meet Wednesday

Carrollton—The members of the Carrollton Day Home Bureau unit will be entertained Wednesday afternoon at the home of Mrs. R. H. Clannahan. The major lesson on "Clothing Construction" will be given by Mrs. A. K. Baldwin and Mrs. Alva Meek.

Miss Sophia Powell, home adviser, will give the major lesson on "Wills for Family Security" at two unit meetings this week. She will meet Thursday afternoon with the Rock-bridge unit at the home of Mrs. Reid Tendick and Friday afternoon with the Greenfield unit at the home of Mrs. Andrew Dalton.

The prospective members of the Greene County Chorus will meet Thursday evening in the Farm Bureau hall to organize for a summer of singing as groups in other counties are doing throughout the state of Illinois. Mrs. Fleet Barnett of White Hall will be the director of the group. Officers will be elected Thursday evening.

PORTIERES

Remember when fancy portieres hung between the parlor and dining room? Women spent hours stringing them from eucalyptus pods and beads. Aside from being ornamental, they were of no use whatever. When they were discarded in favor of more practical drapes, another dustcatcher was removed from the home. Remember?

Dahman-Coates
Vows Spoken in
Home Ceremony

Miss Betty Coates, daughter of Mr. and Mrs. Alvin Coates of Winchester route 3, became the bride of Robert Dahman, son of Mr. and Mrs. Wes Andell of Winchester route 3, in a single ring ceremony performed Sunday afternoon at 2 o'clock at the bride's home. Rev. Charles Leitz was the officiating minister.

The home was decorated with garden flowers. Attendants at the wedding were Mr. and Mrs. John Rutherford of Winchester, Mrs. Rutherford being a sister of the bride.

The bride wore a white street length dress, with a corsage of red American Beauty roses and gardenias.

A reception was held after the wedding. The bride and groom are graduates of Winchester high school. She has been employed as bookkeeper for the Gordon Implement Co. Mr. Dahman is engaged in farming.

Mr. and Mrs. Dahman left Sunday evening for a trip to Colorado. Upon their return they will be at home to friends in their newly furnished home at 124 Green street in Winchester.

Boy Scouts Hold Camporee In Cass

Virginia—Six Boy Scout troops from this vicinity participated in a camporee held at the south edge of the waterworks north of the city. Approximately 70 scouts and 15 leaders attended the event, which closed Sunday evening.

Present were Troop 113 from Jacksonville, Troops 139 and 137 from Beardstown, Troop 127 of Bluff Springs, 128 from Chandlerville, and 126 from Virginia.

Ribbons were awarded for participation in the camporee and achievements in campcraft and woodlore.

J. S. Haywood, proprietor of the Virginia hotel, left for a two to three weeks' vacation trip to Canada and southwestern states.

He plans to visit his daughter, Leona Quinn, in Alberta. Her husband is a geologist and general manager of the Geographic Research corporation.

Mr. Haywood also plans to visit friends in Wichita, Kans., Phoenix, Ariz., and Shawnee, Okla., before returning to Virginia.

Stones were used for cannonballs in early artillery.

SOMETHING OF WHICH TO BE PROUD

A plaque presented by the United States Chamber of Commerce to the Jacksonville Chamber of Commerce for its activities in fire prevention work last year was an object of much interest at the city council meeting Monday night, where it was officially presented. Inspecting the plaque, (left to right) are Alderman Lloyd Reid, chairman of the council fire committee; Alderman Frank Baker, another committee member; Fire Chief Charles Loneragan, Hayden Walker, chairman of the Chamber of Commerce fire prevention committee, and Alderman James Flynn, member of the council fire committee.

The plaque was taken to the council session by R. Karl Baker, secretary of the Chamber of Commerce, who in a short address turned it over to Mr. Walker,

chairman of the committee. Secretary Baker said the honor should be shared with city officials, as they contributed much to the effectiveness of the fire prevention campaign. Most of the figures and facts compiled on the campaign were prepared by Chief Loneragan.

To receive an honorary plaque in fire prevention work, the Jacksonville Chamber of Commerce carried on an aggressive, well-planned campaign in the schools, newspapers, on the radio, and through the Farm Bureau and banks. Pamphlets were distributed in the schools, together with self-inspection blanks by which families could score their own caution in preventing fires by keeping their homes free of hazards. Jacksonville's fire loss last year was low, another factor in issuance of the plaque by the United States Chamber of Commerce.

Greene Co. RNA Meets For 32nd Annual Conclave

White Hall—The 32nd annual meeting of the Greene County Association of the Royal Neighbors of America was held at the high school in Rockbridge.

Deputy Jessie C. Smith of Rock-

house called the convention to order. State Supervisor Tillie Albright of Champaign was introduced and conducted a school of instruction during the afternoon.

The oracle of the White Hall camp invited the group to hold its 1950 meeting in White Hall.

Officers chosen for that convention were Edith Bishop of White Hall, county oracle; Louise Price of Hillview, vice oracle; Grace Tribble of Eldred, chancellor; and Lena B. Hudson of White Hall, recorder-receiver.

Supper was served by the R.N.A. camp of Rockbridge at the Methodist church and a special program was presented, with the White Hall camp performing the formal drill, the Rockhouse camp, the initiatory work, and the Hillview camp, the memorial.

Those from White Hall who attended were Miss Dorothy M. Young and the Mesdames Nova Lyons, Lucy Linker, Ivamae Dickerson, Nadine Camerer, Lou Bishop, Edith Bishop, Leona Conrad, C. W. Campbell, Lillie Framer, Lena Hudson, Howard McAdams, Meda Hayes, Edith Kessler, Addie Fatty, Lena Bertram, Nina DeShazer, Dorothy Faulkner, Ruth Barnard, Ruby Glossop, Crystal White and Lucy Book.

Sheppard Leads Book Discussion

Dr. Victor Sheppard, professor of Political Science at MacMurray College, was guest leader for the Great Books seminar at the Public Library on Monday evening when Rousseau's "Social Contract" was the basis for discussion.

"There are only two concepts of government," said Dr. Sheppard in his introductory remarks. "One is that man is inherently good—and we have democracy; the other is that man is inherently depraved—and we have absolutism. Rousseau subscribed to the first of these concepts, and although his ideas were not new, having been discussed by many men before his time, there was no ready-made philosophy of democracy, and Rousseau worked with missionary zeal to formulate one. His writings were popular propaganda in his own time and became the basis for the democratic concept as Americans have accepted it. He has been called the father of the American and French revolutions."

Dr. John B. Wright, professor of Political Science at Illinois College, will be guest leader on Monday, June 20, when the Federalist Papers: Nos. 1-10, 15, 31, 47, 51, 66-71.

Fellowship Night To Be Observed At Roodhouse

Roodhouse—Fellowship night will be observed Wednesday at the Church of Christ with a picnic supper on the rear lawn. This will be final fellowship supper until September.

Four churches, the Assembly of God, Baptist, Methodist and the Church of Christ, will hold a Community Daily Vacation Bible school, beginning Monday, June 20, and continuing through Friday, July 1. The school, open to all children in the community between the ages of six and 14, will be in progress mornings from 8:30 to 11 o'clock.

The annual Legion celebration will be held here during the week of June 13. Proceeds will be used for the new Legion home. Entertainment will feature the Mound City shows.

The Anoma class of the Baptist church will meet Tuesday for a one o'clock luncheon at the church.

Officers elected by the Sacred Heart club include Mrs. Mollie Todd, president; Mrs. Ida Landman, vice president; Mrs. Hazel Sage, secretary; Mrs. Margie Harris, treasurer; and Mrs. Martin Laffey, chairman, flower committee.

JULIA FETTER WILL RECEIVE DIPLOMA

Peoria, Ill.—Miss Julia Jeanette Fetter, 333 East Chambers, Jacksonville, will receive her diploma from Bradley University at the convocation exercises to be held on June 13 in the Bradley Fieldhouse before an estimated audience of about 3,500 persons.

The convocation speaker will be Dr. Ralph W. Sockman of New York City. During the ceremonies an honorary degree will be conferred upon Gov. Adlai Stevenson of Illinois.

ADVERTISE—IT PAYS

Last Derby Film To Be Shown Here June 8

With only six weeks left before the big event—Derby day, Sunday, July 17—boys who haven't yet registered are urged to do so at once, while time for accepting new entries remains.

In order to acquaint boys with the thrills of the big Derby race, a film depicting the national finals of the 1946 All-American Soap Box Derby held at Akron, Ohio, last summer, will be shown Wednesday at 7:30 p.m. at the American Legion home.

All boys interested in the Derby and their parents are invited to attend. The film, entitled "The Magic of Youth," is the last Derby film which will be shown this season. Members of the Exchange club, which is staging the local race, saw the film Monday night following their regular meeting.

27 Boys Now Entered
At present, 27 boys have signed up to compete in the local race, which is being sponsored by the Cornbelt Chevrolet company and the Journal-Courier. More boys are urgently needed.

The period of registration is drawing to a close as Derby day nears, and boys who have delayed making their applications are requested to do so immediately in order to allow themselves sufficient time for the construction of their racer.

The wheels, steering cable and oil which the entrant will need are available at the Cornbelt Chevrolet company. The wheels can also be obtained at the B. F. Goodrich store.

Derby hopefuls can register at the Cornbelt Chevrolet company. Registration is open to all boys in this area between the ages of 11 and 15. Each applicant must be accompanied by a parent or guardian.

Recent entries include Roger Canell, car No. 25, sponsored by Jacksonville Appliance Co.; Eddie Marquard, car No. 35, and Gary Curtis, car No. 27, sponsored by B. F. Goodrich Co.

Rule Book Shows How
At the time he registers, the boy receives a copy of the official 1949 Derby rule book, which shows clearly how to build a racer which will conform with the Derby regulations.

Also, while the actual construction on the car must be done by the boy himself, he will be guided by a member of the Exchange club, appointed to advise him and give him the encouragement he will need to build a winning car.

The cost of the racer is not to exceed \$6, which can indeed be termed a good investment when compared with the thrills and excitement the boy receives when he drives his car on Derby day, as well as a sense of real achievement at having built a car of which he can be justly proud. By competing in the race, the entrant is also eligible for a number of valuable prizes.

Prizes To Be Displayed
The prizes will soon be placed on display in several of the local stores and at the Cornbelt Chevrolet company, where the racer which John English drove to victory in last year's Derby is now being exhibited.

White Hall Woman To Present Recital

White Hall—Miss Mildred Morrow, organist for the First Christian church at White Hall, will present a recital Thursday at 7:30 p.m.

She will be assisted by her organ pupils, Mrs. Rex Applegate and Mrs. Norman Bechtel, with Mrs. Raymond Wendell as soloist. The public is cordially invited to attend.

Bieshoar-Lane Rites Held Sunday At Chandlerville

Chandlerville—Miss Marjorie Emma Lane, oldest daughter of Mr. and Mrs. William Lane of Bath, and John Milton Bieshoar, son of Mr. and Mrs. E. Bieshoar of Denver, Colo., were united in marriage Sunday afternoon at 3 o'clock in the Salem Lutheran church. The Rev. Harvey Michels officiated.

Assisting at the wedding were: Mrs. Louis Busch, Jr., matron of honor; Nelda and Barbara Lane, bridesmaids; Roebelle and Nancy Hayward, junior bridesmaids; Gordon Glegg, best man; Leonard Lane and Duane Hahn, ushers; Mrs. Evelyn Kramer, organist; Miss Catherine Carr, violinist; and Miss Virginia Hayn, soloist.

The bride, given in marriage by her father, wore a taffeta gown fashioned with lace yoke and ruffles, long sleeves pointed at the wrist and a full skirt entrain. Her circular veil was fastened to a halo of net and seed pearls. She carried a white Bible with a white orchid.

Following a reception for 100 relatives and friends, the couple left for Denver. Upon their return they will reside in Chicago, where Mr. Bieshoar is employed at the Ray Foley restaurant. Mrs. Bieshoar, a graduate of Western State Teachers college, recently taught English in the Bath-Lynchburg community high school.

LAWN MOWER IN A VACUUM
Altus, Okla.—(P)—It stopped traffic... but using an electric vacuum sweeper did the trick in cleaning up R. W. Moore's front lawn.

Moore decided to try the sweeper after his dog, Rip, scattered feathers over the front lawn. All the feathers were quickly gathered by the sweeper, but not before a gallery of neighbors and passers-by had collected.

There are approximately four million sets of twins in the United States.

3,400 Miles Away

White Hall—Mrs. Mair Seibenmann, daughter of Mrs. Lillie Edwards of 88 Trefelin, Treynon, and the late Dr. R. Phillips telephoned her mother from White Hall recently for about ten minutes, a distance of 3,400 miles.

The call was received at 11 o'clock in the morning, which was 5 a. m. here. Mr. and Mrs. Seibenmann lost a night's sleep in waiting for the call to go through, but felt it well worth their time.

The connection was splendid and enjoyed by mother and daughter. Mrs. Seibenmann has been in America four years.

Mrs. Gladys Huelsman, John Heidenrich and Mr. and Mrs. Ben Fischer of St. Louis were guests of Miss Dorothy M. Young on Sunday. John Kehl of Jacksonville, Mr. and Mrs. Russell Kehl and Mrs. Effie Jones of Murrayville visited Mr. and Mrs. C. W. Campbell on Sunday. The Kehl family also visited Mr. and Mrs. Earl Young.

Lillian Minter Of Ashland Dies At Springfield

Ashland—Mrs. Lillian Schell Minter, well known Ashland resident, died suddenly Monday at 8:30 p. m. at St. John's hospital in Springfield, where she had been taken about a half hour before, following a heart attack. Although she had not been in good health for the past three weeks, her death was unexpected. Mrs. Minter was born in Calwell

county, North Carolina, on Sept. 30, 1871, the daughter of the Rev. John T. and Martha E. Disaner Schell. Her marriage to Martin Minter took place in Ashland on Oct. 17, 1895. To this union were born five children, two of whom, Miss Rachel Minter of Springfield and Seth Minter of Ashland, survive.

Mrs. Minter was preceded in death by her husband and three daughters.

Also surviving are a step-daughter, Mrs. Itha Grofoot of Big Sandy, Montana; a grandson, Ronald Balson, of Chicago; two sisters, Mrs. Mary Deal of Hickory, N. C., and Mrs. Artie Overcash of Mooresville, N. C.; and a brother, Landon Schell of Jones Ridge, N. C.

The decedent was a member of the Ashland Baptist church, the Ashland Woman's club, the Centenary Community club and the W.C.T.U. Funeral services will be held Thursday at 2 p. m. at the Baptist church with the Rev. L. E. Riley of Pleasant Plains officiating, and the Rev. Alf Anderson assisting. Interment will be in the Ashland cemetery.

The body is at the Gainer Funeral Home in Ashland and will be taken to the family residence Wednesday, where friends may call.

POSTPONE MEETING

Flamingo Club, Moose Win Junior 5-Inning Contests

The junior softball league played as scheduled last night despite adverse weather conditions. Reports from the northside diamond indicate that the "kid" softballers put on quite a show for the fans who braved the icy winds and threatening showers.

The Flamingo club clipped Rogerson Coal Co. 7 to 3 in the curtain raiser to annex their first win of the 49 season.

In the nightcap contest the Moose juniors rapped the Amvet representatives 7-3.

The summaries:

By innings:

First game:

Flamingo 131 20-7

Rogerson 002 10-3

Winning pitcher—Pearson. Losing pitcher—Beasley.

Second game:

Amvets 001 02-3

Moose 421 0x-7

Winning pitcher—Reynolds. Losing pitcher—Peak.

Braves Move Into Third Place With Win Over Cincy

Boston, June 7.—(AP)—Pinch hitter Tommy Holmes scored the winning run on Al Dark's foul fly to right with the bases loaded in the ninth to give the Boston Braves a 6-5 win over the Cincinnati Reds tonight before a 15,031 crowd. Eddie Stanky drew a pass to force in the tying run in that same frame.

The Reds broke a 4-4 tie in their side of the final session, which Claude Corbett opened with a single to right. He was advanced on a near sacrifice by lefty Kent Peterson, the second of the four Cincinnati hurlers in the tight battle, and scored when Frank Baumholtz connected safely.

The win moved up the Braves a peg into third place as the Brooklyn Dodgers took over the lead and the New York Giants dropped out of a first place tie into fourth.

After the downcast Reds reached their clubhouse, Frankie Baumholtz, who was in no position to make an accurate throw to the plate to choke off the winning run, chided himself for not permitting Dark's foul to drop harmlessly.

"I guess that was the prize boner of my career," he admitted to his teammates.

Lanier Says Cardinals Refuse His Release

New York, June 7.—(AP)—Pitcher Max Lanier asked for his release from the St. Louis Cardinals and was turned down, his attorney said tonight.

John L. Flynn, Lanier's New York lawyer, said the left-hander made the request to Fred Saigh, owner of the Cardinals, after failing to get what he considered a reasonable contract offer.

Lanier, now pitching in Drummondville, Que., talked with Saigh by telephone earlier today.

Flynn said Lanier told him the Cardinals offered the same contract he had when he jumped the club for the Mexican league in 1946. This called for \$11,000 a year.

"He's making more than that in Canada," Flynn said. "Furthermore, the offer was made on a 'make-good' basis."

However, in St. Louis, Saigh emphatically denied making any \$11,000 offer on a "make-good" basis.

He said he mentioned no figures in his telephone conversation.

Instead, said Saigh, Lanier indicated he would stay in Canada unless he received the same sum he got before jumping.

The Cardinal head said he told Lanier that paying him that sum (\$11,000) now was out of the question.

Saigh said he offered Lanier a provisional contract, with the offer to step it up to the ability Lanier indicated he had after playing in the major leagues again.

He also added that Lanier could stay in Canada if he was going to let an attorney make his decision for him.

Browns Cash In On 10-Hit Attack To Whip Boston 6-2

St. Louis, June 7.—(AP)—The St. Louis Browns used a 10-hit attack, including four doubles—to back up Red Embree's six-hit pitching and defeat the Boston Red Sox 6 to 2 tonight. It was the 12th victory of the season for the American league cellar team.

Embree didn't walk a man. He struck out three Red Sox. Errors, often a cause for the Browns' downfall, allowed one of the Boston runs. It came on Bob Dillinger's bad throw to first, letting Billy Hitchcock go from second to the plate.

A crowd of 5,121—large compared with recent attendance at Browns games—watched the home club triumph.

The Jacksonville Civic softball league got off to a rousing start last night as the 4 teams involved scored a total of 20 runs in the two hit-laden contests.

The Lion's club was granted a 7-0 forfeit in the preliminary bout when the Rotarians failed to show up. The Lions whipped a pick-up nine 20 to 6 in four frames.

The second game of the evening, between the Kiwanis and Exchange clubs was a close contest for four innings. Each outfit scored a single run in the third inning. In the fifth chapter the Kiwanis began pounding the apple with vigor and scored six runs. A repeat performance in the sixth inning gave them a 13-1 victory.

Teasers, Kiwanis twirler, was the winning pitcher. Ford was the loser.

Philadelphia, June 7.—(AP)—Four hits in the ninth capped by Andy Seminick's single gave the Philadelphia Phillies two runs and a 6-5 victory over the Pittsburgh Pirates tonight.

The Phils went into the eighth, holding a 1-0 lead behind the one hit pitching of Curt Simmons, before singles by Richie Ashburn and Eddie Waitkus and Del Ennis preceded Seminick's game-winning blow in the Phils' half of the ninth. Schoolboy Rowe received credit for the victory, his third against the same number of setbacks.

Tigers Clip Full Game From Yanks' Lead In 5-2 Win

Detroit, June 7.—(AP)—The Detroit Tigers clipped a full game off the New York Yankees' American league lead today as they beat Yankee southpaw Ed Lopat 5-2 for his first setback of the season.

Lopat, who had won five straight up to today, saw the Tigers bunch six of their nine hits in two innings—the first and fourth—for all their runs.

Catcher Bob Swift and outfielder Hoot Evers each drove in two runs with extra base hits to pin the defeat on Lopat.

Hal Newhouse, who had been beaten twice by the Yankees this season, turned in a neat nine-inning performance for his sixth win of the campaign as against five losses.

Athletics Whip Chisox 7-4, Open Three-Game Series

Chicago, June 7.—(AP)—Lou Brissie came through with 10 strike outs and 10-hit pitching under Comiskey Park lights tonight as the Philadelphia Athletics opened a three-game series here with a 7-4 decision over the Chicago White Sox.

The A's held a 1 to 0 lead and four hits off Howie Judson until he stepped aside for a pinch-hitter, exploded a five run eighth inning off relief hurler Sam Surkont. Doubles by Pete Suder, Elmer Lou and Sam Chapman, plus an error by Fred Hancock and one-base knocks by Eddie Joost, Wally Moses and Brisse accounted for the scores.

The A's tackled another run in the ninth on Joost's double, a sacrifice and Ferris Fain's single to right.

ISLAND OF ESCAPE

By Hugh Lawrence Nelson

THE STORY: Stranded by fire and a dynamite explosion without shelter and very little food on a remote island, eight persons who came to Henry George Harding's "New Eden" face a dreary future. There is also a murderer in their midst who has struck once, possibly twice. George Harding has a plan to escape the island and find himself "king." He is well prepared for what has happened. The story is a thriller of the "island" type, with a twist at the end.

XXXII
By the time Bea reached the shelter again, the bits of smoking wood had been thrust into the pile of kindling. Mabel and Harding crouched beside it, trying to coax the red glow into flame.

In a few moments the kindling pile was blazing and larger pieces of wood were added.

It was obvious from Sillwell's breath he had bartered for whiskey, too. Even though he had probably hidden it on the trail somewhere, with the blazing of the comforting fire no one mentioned the fact.

"George's got himself a cozy little establishment down there," Fred said. He looked at Nona and smiled. "Two fires going, and Mollie outside trying to roast a slab of mutton. She doesn't act very pleased."

"How'd he cut up a sheep?" Bea asked.

"George has a big sheath knife. George has matches. George is dry and comfortable inside the cave working on the whiskey," Sillwell looked around the circle of faces and put his thoughts into words. "In fact it looks to me like George was pretty well prepared for what happened."

ALL that night the fire burned brightly, sizzled occasionally as water leaked through the shelter roof.

At first the fire and the cooking of strips of meat had brought a comfort that found expression in talk. There was speculation about

Red Sailors

Warned Of Spies

Moscow—(AP)—A recent editorial in "Red Fleet" told Soviet sailors to beware of foreign spies. The editorial declared that "agents of foreign intelligence services are attempting to obtain various information; in particular, information on the armed forces of our country." It said that the "very character of military service obliges every soldier, sailor and officer to be always watchful and on guard."

"Red Fleet" added that "for enemy agents any—even the most insignificant information—has interest" and explained that "from details the large picture is built up."

"Red Fleet" declared that "enemy agents especially are on the lookout for people who are morally unstable and who are sycophantic before things foreign, for slipshod persons and gossipers."

The enemy, the paper said, uses wisely the weapon of "bourgeois cosmopolitanism" attempting to weaken Soviet people and undermine their Soviet patriotism.

It is a mistake, declared the editorial, to think that only when a sailor is on watch must he be on the lookout. He must all the time exercise his care and be vigilant, on or off duty. The editorial concluded: "The minister of the armed forces obliges all Soviet warriors to be always in battle readiness. And battle readiness presupposes also high vigilance. It is the duty of Soviet naval personnel to vigilantly and ably protect the sea boundaries of our country of socialism. This demand of the motherland is a sacred law for every warrior of the Soviet navy."

POLICE ON THE HONEYMOON
Paris—(AP)—The newspaper "Esprit de Nice" tells how a honeymoon couple at Saint-Marc, near Brest, were rudely disturbed by police who broke open their door and dashed in with tommyguns. Apologies followed. It seemed that in putting out the light, they had accidentally sounded a burglar alarm connected with the local police station.

She looked quickly again out over the water, found no reassurance there for her fear. She searched now for bodies among the wreckage. Even when she found none she felt no better.

The clouds opened again in gentle rain. She began retracing her steps slowly. This time when she passed the cave, George Bascombe stood in the entrance while Mollie Stark bent over the cooking fire.

Bea hurried past, did not turn when the man shouted. She was soaking wet, but the rain brought a greater visibility than the mist. She stood on a rock, looked around the island. She hovered.

Chapin Democrat Wins Commissioner Contest By 560 Vote Majority

By winning Tuesday's special election to fill a vacancy on the Morgan county board of commissioners, Carlos E. McDaniel of Chapin will be the first Democrat to sit on the board since 1943. McDaniel, World War II veteran, defeated J. Rex Ranson of Jacksonville by an unofficial majority of 560 votes in an election characterized by very light balloting.

American Legion Post In Regular Meeting Tuesday

The names of Lester A. DeWitt and Alvin L. Smith, Sr., were added to the roster of the Jacksonville post, American Legion, at the regular meeting held at the Legion Home Tuesday night.

Commander Glenn Spencer presided at the business meeting. General Harold McGinnis, a charter member of the post, spoke briefly.

Glenn Skinner reported that a few persons still could be accommodated in the special bus which will leave Jacksonville at 4:30 p.m. Tuesday, June 14, for the Brooklyn-Cardinal night game trip at St. Louis.

Dale Rose, chairman of the Memorial Day program, made his report and Russell Alvarez announced that the post will assist in the reburial services to be held Friday afternoon for Lt. Wallace T. Hembrough, Jr.

The post voted the purchase of a baked ham for the Dell Cottage at the Normal Soldier and Sailors home. The dinner will be held Sunday in connection with the annual pilgrimage to the home. The post also volunteered to buy clothing required by the needy widow and three children of a World War veteran.

Plan Rites For Former Greenfield Resident Today

Greenfield—Funeral services for Sanford Stansbury of Elmont, N. Y., former Greenfield resident, will be conducted Wednesday at 11 a.m. at the Shields Funeral Home. The Rev. Robert S. Swain will officiate. Mr. Stansbury, 65, passed away Saturday at 8:20 a.m. in an Elmont hospital, where he had been taken following a cerebral hemorrhage Friday morning.

Born in Greenfield April 20, 1884, he was the son of John and Elizabeth Green Stansbury. The decedent resided in this city until about 25 years ago when he moved to New York. On Oct. 14, 1920, he was united in marriage to the former Beatrice Russell, who survives.

He also leaves one daughter, Mrs. E. C. Crow of Syracuse, N. Y., one grandson, and two brothers, Ernest M. Louisville, Ky., and Frank of Carrollton. One son, Thomas Russell, died in 1945 while in the armed forces.

Interment will be in Oak Wood cemetery.

Charles Rowland Wedding Service Held In Virginia

Virginia—Miss Edna Mae Rowland, daughter of Mr. and Mrs. Henry Rowland of Waverly, and William Harry Charles, son of Mr. and Mrs. Jack Charles of 262 So. Main street, Virginia, were united in marriage at 3 p.m. Sunday afternoon at the Charles home.

Major Henri Servalis of Jacksonville performed the ceremony. Attending the couple were, maid of honor, Margaret Covey of Jacksonville, and Thomas Charles, brother of the groom, best man.

The bride was attired in a gown of blue tulle with a sweetheart neckline. Her fingertip veil was adorned with sweepers and she carried a white Bible. Her corsage was of pink carnations showered with sweepers.

A reception was held in the home of the groom's parents following the ceremony. The table was decorated with a three-tiered cake adorned by a miniature bride and groom.

Cut of town guest were Mr. and Mrs. Otis Taylor, Rena Bell, Mrs. Wanda Moore, Mrs. Henri Servalis of Jacksonville, Alma Johnson of St. Louis, Mr. and Mrs. Glen Thomas and family of Jerseyville, Mr. and Mrs. Junior Charles of North Little Rock, Ark., and Russell Milled of Chanderville.

MURRAYVILLE GIRL FALLS, BREAKS ARM

A five-year-old Murrayville girl broke both arms Tuesday when she fell from a 14 foot ladder.

The child, Donna Faye Cannon, daughter of Mr. and Mrs. Jesse Cannon, rural route one, Murrayville, suffered the mishap as she was helping her brother, David, 12, pick cherries at the Henry Peters farm. She was brought to Our Saviour's hospital and admitted as a patient. The attending physician is Dr. T. F. Wilson of Murrayville.

John T. Roberts, Native Of City, Dies Yesterday

John T. Roberts, life long resident of Jacksonville, died at 8:20 p.m. Tuesday at Passavant hospital, where he had been a patient for the past five weeks. Death followed an illness of about one year.

Mr. Roberts, 63, had resided at 619 E. Morton avenue for the past nine years.

Born in Jacksonville Nov. 6, 1885, the decedent was the son of James R. and Celia Moore Roberts. On Jan. 12, 1910, he married the former Mary Rawlings, who survives.

The Moore Rug company of this city, with which he was associated for 50 years, was founded by his uncle, William J. Moore. Mr. Roberts entered the employ of his uncle at the age of 14, and in 1911, purchased the business.

He was a member of the Central Christian church and for many years, served as secretary of the Sunday school in the church. He was also a member of Odd Fellows Lodge No. 243, Ridgely Encampment No. 9, and Rebekah Lodge No. 623.

Besides his wife he leaves one son, Eldridge of Jacksonville; one sister, Mrs. Lila Rowe of Madison, Wis.; two brothers, William J. Roberts of Los Angeles; and two grandchildren, Dennis Eldridge and Linda Sue.

The body is at the Williamson Funeral Home. Funeral arrangements are incomplete.

Paroled 2 Weeks Ago, Youth Nabbed For Same Offense

Robert Fellhauer, 15 year old E. St. Louis youth who was admitted to probation in circuit court here two weeks ago after he pleaded guilty to auto theft, was returned to Jacksonville yesterday. He was arrested in East St. Louis on the same charge Monday.

Fellhauer and a companion, Leroy Kite, 17, admitted stealing an automobile parked near the Lukeman Motor company. It was later wrecked west of the city.

Kite received a one to two year sentence and was sent to Chester penitentiary. Sheriff Ralph Bourn, accompanied by City Policeman Jack Guterman, went to Belleville, the county seat of St. Clair county, Tuesday afternoon and returned Fellhauer to the county jail.

City's Summer Kindergartens Open Monday

Public school kindergartens will open in the four elementary schools on June 13 and continue for ten weeks until August 19. The summer kindergartens are being operated because there is no room in the school year.

Children will attend kindergarten in the mornings from 9:00 until 11:30 a.m. They should be registered at the schools before the opening of the kindergartens on June 13.

Kindergarten training provides valuable experience for children and prepares them for the first grade. The kindergarten program will include story telling, oral expression, group play activities, music, crafts, and art. There will also be a rest and lunch period.

Unemployment In May Rises To New High Of 3 Million

Washington, June 7.—(P)—Unemployment rose to a postwar high of 3,289,000 in May, a time when it usually decreases, the Census Bureau reported today.

Job opportunities in non-farm industries declined in the face of an increased number of job seekers. The April-to-May increase in unemployment was 273,000—almost identical with the 273,000 drop in non-farm jobs in that same period.

"Ordinarily, unemployment drops between April and May and the increase this year was, therefore, contrary to seasonal expectations," the bureau commented.

Two-thirds of the additional unemployed, it said, were high school and college age youths seeking summer or post graduation jobs.

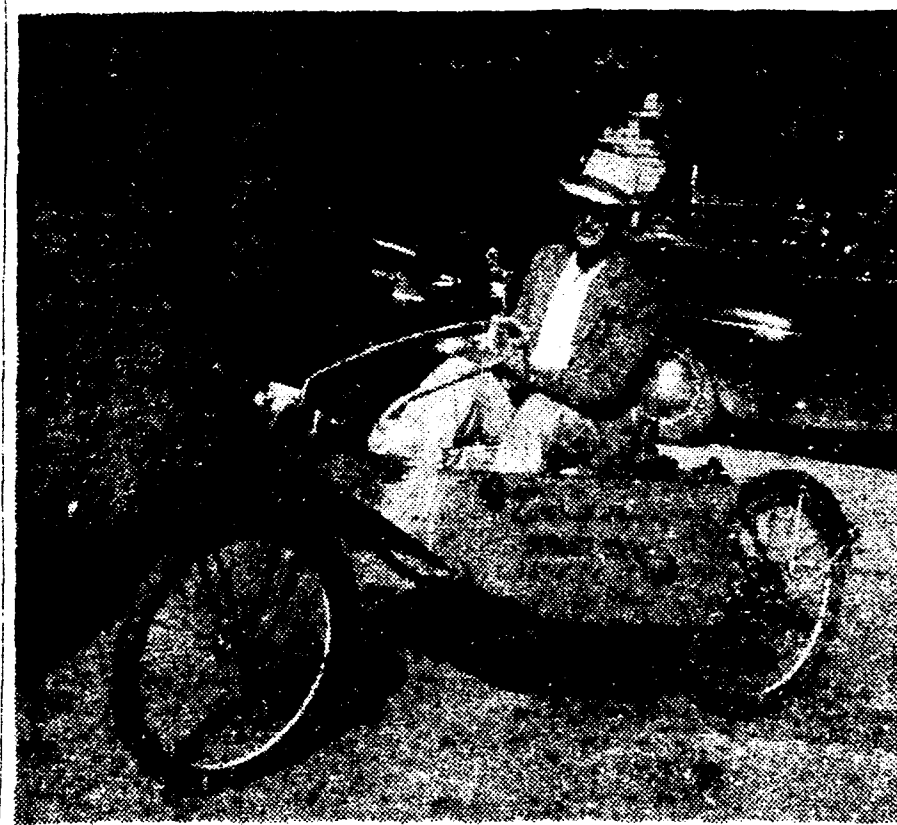

Those who wanted farm work apparently had no trouble getting it as the number of farm jobs rose 1,154,000 from April to May.

Because the increase in farm jobs was much bigger than the decline in non-farm jobs, the overall employment total for May was 58,694,000, an increase of 875,000 compared to April.

Thus the number of jobholders and the number of jobless persons both increased in May. This is explained by the fact that there was an increase in the "labor force"—which includes persons looking for work.

Mr. and Mrs. Deon Johnson, route three, Vine street, are the parents of a daughter weighing eight pounds, six ounces, born Tuesday at 8:47 p.m. at Passavant hospital.

"THE CRIPPLED TURKEY"

"My father was a Swede," said Jeff T. Marjison, "but my mother was Irish." And, the same Mr. Marjison is pictured sitting in the product that stems from the ingenious nature of those nationalities.

Marjison stopped over with Major Henry Servalis at the Salvation Army in Jacksonville Saturday evening. He had been on the road since Saturday, May 28—one week—and had traveled from Ingalls, Indiana, a distance of 300 miles. His destination, Spears Chiropractic sanatorium, Denver, Colo., where he has been promised treatment for an arthritic condition that has hampered him for the past eight years.

Marjison, who can walk only with the aid of a cane, built the three-wheeled vehicle expressly to make his 1100 mile trip from Ingalls to seat. Barring serious difficulties, Marjison expects to be in the sanatorium semi-modern forty-niner. He has the first of July.

New Public Relations Directorate Planned By Methodist Leaders

A proposed plan for a public relations directorate was the important item of business on the agenda of Tuesday afternoon's session of the Illinois Conference of the Methodist church, which is being held at Grace church, West State and Church streets.

The comprehensive public relations plan, which will be considered and acted upon by the delegates at the 7:45 p. m. business session, was drawn up by a committee of pastors, laymen, and representatives from each of the corporations and institutions named in the report, including MacMurray college. The plan was unanimously adopted and recommended to the Illinois Conference at a joint meeting of the general committee of the Methodist Movement and the special committee named to formulate the plans for the public relations directorate.

Prof. J. P. Smith Voted Citation By Chicago U.

Chicago, Ill.—Joe Patterson Smith, 1228 West College avenue, Jacksonville, Illinois, chairman of the department of history and government of Illinois College, will be among the 16 distinguished alumni of the University of Chicago to be awarded citations of merit at the 1949 Alumni Assembly at 8 p. m. Friday (June 10) at Mandel Hall.

The citations, established during the university's fiftieth anniversary celebration in 1941, are given in recognition of public service to the community, the nation, and humanity. Since their establishment eight years ago, citations have been awarded to 271 university alumni, who were graduated in classes prior to 1923.

This June, nine men and seven women will receive citations. A member of the University of Chicago class of 1924, Professor Smith entered the University in 1921. A veteran of World War I, he was blinded while on active duty with the United States Marine corps. He received his doctor of philosophy degree in 1930 at the university.

In addition to his teaching activities at Illinois College the past 21 years, Prof. Smith has served as president of the board of trustees of the Jacksonville Public Library, editor of the teachers' section of the Mississippi Historical Review, and as a member of the conference on Canadian-American affairs.

Former Jerseyville Resident Dies

Jerseyville — Donald MacDougall, former Jerseyville resident, who for ten years was one of the foremen at the Jerseyville branch of the International Shoe company, died June 2 at his residence in Springfield, Ill., following illness from a heart condition. He was 72 years of age.

Mr. MacDougall went from Jerseyville to Springfield in the employ of the International Shoe company and remained with that company until failing health made it necessary to secure lighter work. He entered the employ of the City of Springfield and was employed with them until about two months ago when he became ill.

The deceased was born in Nova Scotia, the son of Scotch parents. He is survived by his wife, Mrs. Lettie MacDougall of Springfield; four daughters, Mrs. Helen Harris, Mrs. Laura Winhold, Mrs. Muriel Smith, all of Springfield, and Mrs. Lettie Trumbo of Washington, D. C., and one son, Donald R., of Springfield.

McKinley Rodeo Show To Perform At Pittsfield

For the second straight year, the McKinley Rodeo and Wilwest Show, one of America's leaders in the rodeo business, will give three performances under sponsorship of the Pittsfield American Legion. The shows will be staged June 17, 18 and 19 at Legion park, just south of Pittsfield, where adequate free parking will be available. Seating for crowds of several thousand will be provided.

An elaborate show ring will be set up. An east-west arrangement will be used this year in setting up the ring.

Night performances will be given Thursday and Friday, June 16 and 17, with a final afternoon show Saturday, June 18. Night shows will begin at 8 p.m., with the Saturday show starting at 2:30 p.m.

Proceeds from the shows will be used in development of Legion park playground and picnic areas.

The two-hour performances will include bull dogging, trick riding and roping, bronc busting, a number of specialty acts and Brahma bull riding. Trying to stick to the back of a Brahma bull is rated as man's most dangerous and thrilling sport.

The McKinley rodeo will feature the same talented performers who played before capacity crowds in 14 shows at Michigan State Fair last year.

Set Demonstration Of New Chemicals On Scott Willows

Winchester — Robert Slayton, Scott County Farm Adviser, announced Tuesday that a demonstration on the control of woody vegetation will be held on Monday, June 13, at 1:30 p.m. The demonstration will be held at the Scott County Drainage and Levee district where State Route 100 crosses the levee about 13 miles north of U.S. Route 36.

During the past year several drainage and levee districts have used chemicals in an attempt to control willows and other woody vegetation on their levees and interior drainage ditches. Success has been varied in those districts using chemicals, some are very well satisfied with the results, while in others the results have been disappointing. Ray Northrop, agronomist with the Corps of Engineers, U.S. Army Office, St. Louis, has arranged a series of demonstrations. The demonstrations will show some of the types of chemicals adapted for use on woody vegetation, the proper amounts to use and practical methods of application.

The Dow Chemical company of Midland, Michigan; Stull Bros., Inc. of Sebree, Kentucky; John Bean, Division of Food Machinery corporation, Lansing, Michigan; Ralph Pingle, Chester-Ferrisville airport, McBride Missouri, and James Freeman, Henderson, Kentucky, are assisting the St. Louis district office and the agricultural extension service in these demonstrations.

Mrs. John Dugan left Sunday for a visit with relatives in Chicago. Mr. and Mrs. LeRoy Pape of Chicago are visiting with Mrs. Annie Smith.

Mrs. W. E. Harper and Rose Cecile Ring were Springfield callers Tuesday.

Mr. and Mrs. L. Allan Watt and family left Wednesday morning for a week's vacation in Wisconsin and Iowa.

Mrs. Mary McKenzie, who has been visiting her parents, Mr. and Mrs. Roy Pears, left Tuesday for her home in Minneapolis, Minn. She was accompanied by Mrs. Beatrice McMullen.

Mr. and Mrs. Richard Coultas entertained at a dinner party at their home Sunday evening.

Funeral Services

Lt. Wallace T. Hembrough, Jr.

Funeral services for Lt. Wallace T. Hembrough, Jr., will be held at 2:30 p.m. on Friday, June 10, at the Reynolds Mortuary. The Rev. W. H. Pankhurst will officiate. Funeral services for James M. Sloss will be held at 10:30 a.m. Thursday at Reynolds Mortuary. Burial will be in Hall cemetery near Blue Mound.

SEARCY FAMILY PLANS REUNION JUNE 26

Lola Eades of Girard has announced that the tenth annual Searcy reunion will be held at the Terry Park clubhouse one and one-half miles northeast of Palmyra on Sunday, June 26. A basket dinner will be served at noon.

Bishop Names Macomb Pastor Superintendent Of Jacksonville District

Bishop J. Ralph Magee, of Chicago, announced the appointment last night of the Rev. Victor Roberts, pastor at Macomb, as the new superintendent, replacing Rev. Sidney Guthrie of the Jacksonville district of the Illinois Conference of the Methodist church. The appointment of Rev. Claude Temple, of Charleston, as the Peoria district superintendent was also announced.

Announcements of the new superintendents was made at the opening of the 126th session of the Illinois Conference, which is being held at Grace church.

Following the organization of the Conference, Dr. Sherwood Eddy, noted lecturer and author, in an address to an estimated 800 pastor and lay delegates, declared that Christian principles are the foundation for the present revolution in Asia.

"Asia, the birthplace of Christianity, is awakening to the call of God," Dr. Eddy said in the first of his scheduled four addresses. It is freedom, justice, nationalism and democratic principles that are sought by Asia, not communism, and these are the principles of Christianity, "even if the Asiatics do not know it," Eddy concluded.

Dr. Eddy and his wife have recently returned from a tour of Asia during which they had interviews with many leaders of the new democratic movements in Asia. Japan was used by the speaker as an example of the progress democracy is making in the Far East.

Recommends Treaty Soon

"The Japanese have learned their lesson and they want no further war," Eddy reported. He further revealed that Japanese production has recovered to point of 61% of the pre-war level. Eddy criticized the Japanese for a policy of making Japan the "workshop of Asia," and our ally in the East against Russia. If Japan is strong enough to be an ally, she is strong enough to be free, Eddy believes.

He then suggested that Japan be assisted to recovery and reform as rapidly as possible. When conditions in the nation are again settled, an international peace treaty should be drawn up with the Japanese, and then Japan should be put under the United Nations and "left to its own great future destiny," according to Eddy.

The conference, which will continue until June 12, was opened last night with Bishop J. Ralph Magee, of Chicago, acting as chairman. Greetings of welcome to the delegates were extended by the Rev. Frank Marston, pastor of Grace church, and by Dr. Clarence P. McClelland, chairman of the program committee and president of MacMurray college, where 600 delegates are being accommodated.

Mayor Extends Welcome

Ernest T. Hoagland, mayor of Jacksonville and a lay member of the Methodist church, extended a welcome in behalf of the city. Today's program for the conference includes discussion and action on a proposed public relations directorate plan, an address at 4 p.m. by Dr. Eddy, on "The New India and Pakistan," and one of the conference lectures tonight at 8 o'clock by Dr. James W. Clarke.

Durbin W.S.C.S. To Meet June 15 At Carpenter Home

Durbin—The Durbin W.S.C.S. will meet Wednesday afternoon, June 15, at the home of Mrs. Maxine Carpenter. Mrs. Carpenter will be assisted by Mrs. Rose Seymour and Mrs. Irene Wilson.

The following program will be given: prelude, Martha Smith; call to worship, Lois Smith; "Africa as Part of the World," Miss Juanita Scott; "Two Visits in Central Congo," Martha Smith.

"Elizabethville," Lois Francis; "Southern Rhodesia," Louise Francis; "Portuguese East Africa and Angola," Judith Wells; "Coming Forwar," Allen Francis; roll call, a picture I enjoy.

Mr. and Mrs. Richard Bannister are the parents of a daughter born June 4 at Iowa City, Ia. Her mother, Mrs. Coila Oxley is visiting them.

Miss Juanita Scott will leave Saturday to attend an eight weeks session at Southern Illinois University at Carbondale.

Miss Martha Smith and Louise Francis, committee for Children's Day, have announced a meeting for Friday at 2 p.m. in the church.

Arrest 6 Filipinos For Love Triangle Blasting Of Plane

Manila, June 7.—(P)—A Philippine woman and five men today were accused of blowing up a plane with a time bomb in a fantastic love triangle murder. The woman's husband and 12 other persons aboard were killed.

The National Bureau of Investigation, which took up the case after the plane mysteriously vanished June 7, termed it "a crime without parallel." Two of the plane victims were Americans.

Charges of murder were filed at Daet, 140 miles east of Manila. The plane took off from Daet for Manila on its ill-starred flight.

Authorities assert that one of the men was the lover of the woman. The two were accused of plotting the plane's destruction so she could receive her husband's inheritance and continue the love affair.

Neither will be named until they are arrested. Two men charged with being accomplices have been picked up. They were identified as Al-madeo Salazar and Gavino Largo.
